

## NEWS RELEASE

### OHSAS 18001 ACCREDITATION

30 November 2011

As part of S & B Utilities continued commitment to health and safety we are pleased to announce that on Friday 18th November 2011, we were awarded OHSAS 18001:2007.

Quoted from the Audit Team's summary

'After a robust sample interrogation of personnel, hard & soft copy evidence materials and witnessing construction service delivery at the H/Q, Yard and 1 x Project site location; the Auditor wishes to compliment SBU on demonstrating a very professional level of Occupational Health & Safety good practice.

S & B Utilities Ltd has clearly evidenced a proactive and forward thinking Corporate Responsibility strategy to address evolving construction service delivery, underpinned by an effective safe working culture'

Steve Walsh

S & B Utilities would like to thank all its employees, clients and suppliers in their continued support in ensuring zero accidents and the continual improvement drive.
