

NEWS RELEASE

ESHOLT VISITOR CENTRE 2nd UPDATE

1st June 2009

Work on the project is going very well and detailed below are the site waste summaries for April and May.

April

Total Tonnage of Waste:	61.02
Total Tonnage of Recycled Waste:	51.26
Total Tonnage of Waste Land filled:	9.76

Waste Recycled %:	84%
Hazardous Wastes:	0%

May

Total Tonnage of Waste:	13.74
Total Tonnage of Recycled Waste:	11.68
Total Tonnage of Waste Land filled:	2.06

Waste Recycled %:	85%
Hazardous Wastes:	0%

These figures fall in line with the general plan for the Visitor Centre, so well done to everyone working on the project.
