

NEWS RELEASE

TRAINING ACHIEVEMENTS

24th February 2010

Congratulations and well done to all our employees who have completed training during January 2010.

Jason Robinson - HGV Inspection Procedures and Standards Course

NATIONAL WATER HYGIENE CARD

The National Water Hygiene Card is run to ensure everyone who works with potable water has a clear understanding of the need for good hygiene. Once the course has been completed the card is valid for 3 years. Well done to all the following who successfully completed their training in January.
